PROFESSIONAL SUMMARY

My name is Pramukh Jayaramulu Padmashali, and I am currently pursuing a Master of Computer Applications (MCA) in Bengaluru. With a strong foundation in computer science and a passion for technology, I am dedicated to advancing my knowledge and skills in software development, data analysis, and systems management. My academic journey has equipped me with proficiency in various programming languages, software engineering principles, and problem-solving techniques. I am eager to apply my expertise in real-world scenarios, contribute to innovative projects, and collaborate with professionals in the tech industry to drive impactful solutions.
